

About

Annick Fournier is mainly active in contract law, corporate and commercial law. In particular, she deals with labor law cases and represents our clients before the various judicial and administrative authorities. Before joining id est avocats, Annick Fournier wrote a doctoral thesis in private law on the issue of attribution of knowledge in agency, legal entities and corporate groups. In parallel to her activity as a lawyer, she teaches private law at the University of Lausanne, as a substitute assistant professor and commercial law at Unidistance, as a lecturer.

Practice Areas
