

About

Anh-Thu Thai specializes in all aspects of corporate and commercial transactions. She provides advice on private equity and venture capital investments, as well as mergers and acquisitions, complex corporate restructuring, deal financing and exit strategies to a wide range of clients, from start-ups and SMEs to multinational corporations.

Being a qualified lawyer in Switzerland and England and Wales and having worked in leading law firms in Switzerland, the United Kingdom and Vietnam, Anh-Thu has acquired a solid M&A experience advising domestic and cross-borders clients from a variety of economic sectors.

She also advises businesses and investors active in the impact economy, supporting social enterprises define and integrate positive impact into their governance strategies and helping investors incorporate social and environmental goals when investing in mission-driven companies.

Anh-Thu is admitted to practice in Switzerland and England and Wales. She works in English and French and also speaks German, Spanish and Vietnamese.
